- ✓ \$10 Nomination Fee

2-Year-Old Snaffle Bit Project

The purpose of the 2-year-old snaffle bit project is to show the versatility of the horse and the training by the 4-H member. It is designed for older, more experienced 4-H members who have the acquired skills needed to manage, train, and show a young horse. The horse will be judged on brokenness, manners, responsiveness to the rider, and functional correctness.

- Attire: Same as other judged classes.
- Equipment: Horses must be shown two-handed in either a smooth snaffle or a bosal. Snaffles may be of the O-ring, D-ring, or egg butt style. Any bit having shanks, and therefore curb action, of any type is prohibited.
- Eligibility Requirements: Horses must be 2-year-old fillies or geldings managed by the 4-H'er as outlined under the ownership and leasing section.

To be eligible a 4-H'er must be at least 14 years old before January 1 of the current year. Members must be certified in Level I of the 4-H Horse Achievement program.

The nomination/I.D. Certificate is due May 1 along with a \$10 fee. Nominations are made through the county or district extension office and sent to the State 4-H office. Members may nominate more than one horse as outlined in the ownership/leasing section. However, only one horse may be entered and shown in this class at the state 4-H Horse Show. A 2-year-old snaffle bit project horse, whether owned or leased, cannot show in any other Western or English pleasure class at the state 4-H horse show. However, a 2-year-old snaffle bit horse may qualify in other non-pleasure classes at the district level.

It is not recommended that 2-year-olds be used strenuously in showing. If the horse is to be shown in other events, all rules pertaining to that event shall apply. Entry into this class is due August 1 at the time other state 4-H horse entries are due. Nominated 2-year-old horses may be shown before the state show. 4-H members are encouraged to seek advice and counsel on training techniques from outside sources as this should be a learning experience. However, after the horse becomes a project horse on May 1, it can only be ridden and shown by the 4-H member.

The 2-year-old snaffle bit project will be judged in three separate phases at the Kansas State Fair. The three phases are as follows: pleasure class, pattern class and an interview. Each phase will account for 1/3 of the contestant's total score. The interview will be conducted to help 4-H'ers explain how they trained and managed this project.

The pattern will include simple maneuvers such as rail work, circles, 8s, rollback, back and side-passes.
