

WHAT IS 4-H?

We teach kids from all backgrounds how to become well-rounded individuals.

We do that by teaching the four H's:

WHAT WILL I DO?

4-H centers around projects. Members choose from a wide range of individual projects based on their interests and community availability. Through these projects, members set goals, learn the necessary skills, and exhibit or demonstrate their skills at events like county fairs, speaking contests and competitions.

GROW NEW IDEAS

It doesn't matter where you live, what you want to be when you grow up, or your level of experience. 4-H is a club of kids and their families who take part in fun, practical projects from woodworking to rocketry, and everything in between.

Join 4-H and explore exciting ways to grow, together.
