WHAT IS 4-H?

We teach kids from all backgrounds how to become well-rounded individuals. We do that by teaching the four H’s:

- **HEAD**: Make sound decisions, stick with your goals and develop practical skills.
- **HEART**: Act with integrity and accountability.
- **HANDS**: Put the needs of the community first and commit to serving others.
- **HEALTH**: Actively take care of your mind and body.

WHAT WILL I DO?

4-H centers around projects. Members choose from a wide range of individual projects based on their interests and community availability. Through these projects, members set goals, learn the necessary skills, and exhibit or demonstrate their skills at events like county fairs, speaking contests and competitions.
WHAT CAN I DO?

If you're interested in something, it can probably become a project. Here's a sampling:
