Welcome to the 4-H Shooting Sport Project for Miami and Linn County.

See below for age requirements.
The 4-H Shooting Sports Program teaches young people the safe and responsible use of firearms and archery. The fundamentals of handling, caring for and firing, air rifles, BB guns, Muzzle loading rifles, shotgun and smallbore rifle in addition to archery both recurve and compound.

The 4-H Shooting Sports Program uses the skill and disciplines of shooting to assist young people and their leaders to attain knowledge and develop essential life skills. In learning the rules of firearms safety and safe firearms handling, a young person will learn decision making, safety, science and technology, and youth development as well as social interactions and international communication skills.

In learning the rules of firearms safety and safe firearms handling, a young person will learn decision making, develop and inquiring mind and acquire and cultivate a knowledge of wildlife and natural resources. Appealing to young people and volunteers for a wide range of urban and rural backgrounds, the curriculum uses a multidisciplinary approach, involving natural resources, wildlife, outdoor recreation and health.
