Horse Level Testing

Horse Level Testing in 2022 and future years will not be held in person. Abbie will be recreating the Horse Level 1 and Level 2 recordings that walks participants through the Kansas Horse Level 1 and Level 2 Study Guide.

These videos will be posted to the Marais des Cygnes Extension website when available. Once a 4-H'er is ready to complete the exam for Level 1 or 2 please e-mail Abbie at abbie2@ksu.edu and she will e-mail you the link to complete the on-line exam.

As for the riding portion we will set dates in May and June to have a testing date at the Miami County Fairgrounds. These riding tests can also be done virtually by setting up an appointment with Abbie.
