

# Yarn Wrapped Ornaments

## Description

Bring texture and warmth to your holiday decor with these giftable, cozy looking ornaments

## Supplies

- Yarn
- Cardboard form
- Glue
- Embellishments

## Directions

1. Secure the end of your yarn to the cardboard with glue, or by tying a knot in the string and notching into the cardboard. Wrap the yarn around the cardboard until you have the look you want.
2. Secure the end of your yarn by tucking it into the wrapped yarn on the back and using a bit of glue to make it stick.
3. Add embellishments like pom poms to your creation to individualize it.

## And Then...

- Consider giving your ornament to a loved one.
- What else could this be? A gift tag, a table place marker? Could you tie several on a long string for a garland? Use your imagination and let us know what you come up with!
