For **meetings** count each separate meeting attended. For example, if your club/group held 12 meetings and you attended all of them enter 12. **Project** (dog, horse, rabbit, etc) or **committee meetings** count as additional meetings **ONLY IF** they were held on a separate date and time (i.e. you may not count activities or meetings held within or during another meeting).

For **leadership** count the offices/positions held, **not** the number of meetings. For example, someone who was a Club President and a Dog Club Agility Instructor would show 2 offices.
