

# Miami & Linn County Kansas Barn Quilt Trail Application

**It's time to gather names and locations of the many barn quilts that are displayed in Miami and/or Linn County Kansas. The current trail was started in Feb. 2018 and it's time to add to the trail!**

To be included in the published listing of the barn quilt blocks, **please complete the application – found on Page 2**. Please provide as much detail as possible. For instance, you may not know the formal name of the quilt block or the artist. Simply provide the details you can confirm.

A committee will review applications and you will be notified if further information is needed to place your barn quilt on the local quilt trail. Our goal is to expand and add to the existing map including information and a picture of the barn quilt that has been hung and submitted to be a part of the trail. Target due date for applications is January 15, 2020.

***(Note: If you currently have a barn quilt on the Miami or Linn County Kansas Barn Quilt Trail, you do not need to submit another application. Our goal is only to add new barn quilts to the existing trail.)***
