

Dear Friends of 4-H:

The Linn County 4-H Council is beginning its 2026 fundraising drive. We want to thank our past sponsors for your generous support and give an opportunity for new sponsors to get involved. Our sponsors play a vital role in the overall success of the 4-H program and fair. With your financial support for our program, over 250 youth have been reached this past year in Linn County.

We are reaching out to you for your support and sponsorship of the Linn County 4-H and FFA divisions of the 2026 Linn County Fair. On behalf of the Linn County 4-H Council, we would like to extend you the invitation to sponsor one or more of our more than 150 class awards, special awards, and belt buckles. The awards are presented to our Champions, Reserve Champions, and other selected recipients at the Linn County Fair in August.

In addition to the class and award sponsors, you are welcome to support the Linn County Fair through sponsorship of the Linn County Fair Kid's Day. This event is held on Thursday during the fair and is open to all youth to take part in fun activities, free sno-cones, and other events put on by local individuals, businesses, and 4-H'ers.

In order to adequately prepare for the fair, we need confirmation that you wish to be a sponsor this year. Please mark the appropriate place and return the form, along with your check payable to the Linn County 4-H Council, to the Mound City Office by July 15, 2026. If you have any questions, please contact our office at 913-795-2829.

Again, thank you for your continued support of the Linn County 4-H program!

Sincerely,

Franny
