Housing and Care:
Exhibitors of the Miami County Fair are responsible for the proper care of their animal(s) by following acceptable methods of good animal husbandry. A healthy animal requires sufficient food, water, shelter, and appropriate health care. Youth should provide the primary care and training for livestock projects for the duration of the project. Primary care is defined as the exhibitor making the decisions for and/or providing the care, handling, and training of their livestock project a majority of the time. Please check the box for each species you will be showing:
