To: 4-H’ers enrolled in the Clothing Project

As a clothing project member, you have two ways to exhibit your project at fair. The first is to construct an outfit and/or purchase an outfit and present (model) it before a judge at the Fashion Revue Judging. This year, due to Social Distancing Requirements, we are unable to have the Fashion Revue in person. Instead, you will need to submit a video of you modeling the outfit and giving a short presentation about your outfit on FlipGrid. These videos are due on Monday, July 13th.

The second way you can exhibit in the clothing project is to bring your outfit or constructed item to the Miami County Fair on Monday, July 20, to be judged in the clothing department. See Fair Book for more information. You can exhibit each outfit in both Virtual Fashion Revue and Clothing Department.

**Fashion Revue (Modeling) Entry Information**

Go to the Miami County Fashion Revue FlipGrid at: [https://flipgrid.com/micofashionrevue](https://flipgrid.com/micofashionrevue) You will need to enter the grid password: Stylish!

Wearing your outfit, record yourself modeling and after you have modeled, talking about your outfit. You can use any device with a camera – smartphone, tablet, or laptop. If you do not have a device to record your video, please contact the Paola office at 913-294-4306 to set up a time to record your video using our devices. Do not wait until July 13th if you need to use our device.

For each Fashion Revue entry, you still need to complete the Fashion Revue Scorecard. I have attached the file to this email. Only those in the senior age division need to complete the cost per wear section of the form.
