Learn the art of paper folding and make your own Radial Paper Sculpture. This one hour workshop will be held via zoom. Participants will be taught 3 basic paper folding techniques and then make their own Radial Paper Sculpture.

Kits will be provided with the background paper, colored paper to fold, and a glue/tape runner. Participants will need to have their own pencil with good eraser and a 12 inch ruler.

Open to any youth, ages 5-18.

Join us to learn about symmetry, radial designs, and explore your creativity.
