Fashioning an Easier Lifestyle with Assistive Technology

Learn about tools and devices you can use to accomplish everyday tasks - around the house and at social functions. A variety of tools will be demonstrated during the program.

Understanding Alzheimer's and Dementia

Learn the difference between Alzheimer's and Dementia, how Alzheimer's affects the brain, risk factors and the stages of the disease.

Consumers Beware: Avoiding Identity Theft & Scams

Scams and Identity Theft attempts happen every day. We'd like to think we would never become a victim; however crafty tactics can easily catch us off guard.

Beginning the Estate Planning Process

No matter how large or small your net worth, everybody has something to pass on. An estate plan will help ensure that your wishes are followed, even after you are gone.

Advance Health Care Directives in Kansas

Learn the process and documents involved in preparing for your future medical care, should you become unable to speak for yourself.

Who Gets Grandma's Yellow Pie Plate

Learn how to distribute non-titled heirlooms without starting a family feud. Tips for making a plan to distribute your belongings will be discussed.
