

# Landscaping for Hummingbirds

March 19, 2019  
6:00 p.m.  
Admission is FREE  
Light snacks provided

LaCygne Library  
209 N Broadway  
LaCygne, KS 66040

## Join us to learn about Hummingbirds!

Birdwatching is becoming more and more popular and seems to be catching on here in Southeast Kansas. Watching them hover to feed and spar with other hummingbirds for feeder space is fascinating and fun!

This workshop will feature K-State Research and Extension Agent Chuck Otte, who will go into detail about enhancing the attractiveness of your yard to hummingbirds, and other birds, through appropriate use of landscaping materials including trees and shrubs as well as annual and perennial flowers.

## About the Speaker

Chuck Otte has been the Geary County Extension Agent since 1982. As an avid bird watcher and naturalist, Chuck spends a considerable amount of time in activities with organizations that foster, support, provide outreach and knowledge of the natural world. Chuck is the co-author of “Birds in Kansas” as well as “A Pocket Guide to Common Kansas Backyard Birds.”

## Registration Details

Please register by March 15 by calling the Marais des Cygnes Extension District – Mound City Office at 913-795-2829 or the Paola Office at 913-294-4306. The class is free of charge and open to the public.
