

WHO WE ARE...

Organized in 2003, the Foundation was created to provide a lasting charitable endowment to support Miami County 4-H programs.

In 2015 the Foundation extended support to include the Marais des Cygnes District 4-H programs. Foundation support now reaches youth and their families in Linn and Miami Counties as well as the surrounding areas. 4-H programs help today's youth develop into compassionate and successful adults through family oriented fun, hands-on learning experiences, and leadership opportunities.
